Daniel Listmeier

The need is constant.
The gratification is instant.
Give blood.™

Celebrate life and make a difference by giving blood. Blood is needed for many different kinds of patients. It could be a young child with a rare blood disorder, a family member fighting cancer, or a friend involved in a car accident. Please schedule an appointment to donate at this special blood drive. You'll feel good knowing you've helped change the lives of patients in need.
