Dear Senior Students and your Parent/Guardian:

Applications for the Senior Parking Privilege are being accepted Monday through Friday from July 5 – July 31, 2018. Only senior students with an unweighted cumulative average of 85 or better are eligible for a parking spot. DO NOT apply for a parking spot if you do not have an 85 average. That score can be found on your final report card. If a senior qualifies, and would like to apply for a permit, they must complete the 2018-2019 Senior Parking Privilege Registration Form, provide all appropriate paperwork, and pay the parking sticker fee of \$7.00 (cash). This process must be completed by July 31, 2018.

By signing the application form (on the back of this letter), the senior driver agrees to follow the guidelines enforced by the High School administration and local police. Any student with a prior driving or parking violation is automatically disqualified from obtaining a parking spot. Failure to abide by the parking guidelines will result in a disciplinary consequence and withdrawal of the parking privilege. There are limited student parking spaces. Seniors, who meet the criteria and submit all appropriate paperwork and fees, will receive a parking space until spots are no longer available. Specific parking spots will be assigned and cannot be changed. If granted a senior parking privilege, parking is permitted in designated locations only.

- Vehicles without a valid, properly displayed, parking sticker are not permitted on campus, and are subject to police and school administration consequences for failure to comply with school and traffic regulations. Parking stickers are obtained by filing the appropriate paperwork through the Central Wing Vice Principal's office.
- Students who do not abide by the below parking guidelines will have their senior parking privilege revoked and be subject to school discipline as well as the potential for legal consequences:
 - Unsafe, aggressive driving on school property or extensions to school parking area (i.e. Well Road)
 - Parking in a spot other than that designated by your parking sticker
 - Lending your parking sticker to another student
 - Having another student park in your parking spot
 - Students must produce a valid school identification card, their driver's license, insurance card, and vehicle registration at all times when driving on campus. Students must be prepared to produce this material to staff at anytime upon request.

If you would like to apply for a 2018-2019 Clifton High School Senior Parking sticker, please fill out the application form, provide the necessary document, and \$7.00 cash and return it to the Main Office any day, Monday through Friday, through the month of July.

Sincerely,

A handwritten signature in black ink that reads "Victoria M. Rogers". The signature is written in a cursive, flowing style.
