

**CLIFTON BOARD OF EDUCATION
INITIAL LEGISLATIVE COMMITTEE MEETING
April 26, 2018
MINUTES**

Board Members Present: Fahim Abedrabbo (Chair), Larry Grasso and James Daley

Administration Present: Richard Tardalo

Meeting Time: Thursday, April 26, 2018, 5:30 pm – 6:30 pm

A. We discussed Election Day Security

1) Mr. Daly talked about lobbying statewide legislators to have elections on a non-school day.

B. The committee discussed possible legislation that could be put in place that phases out payment in lieu of taxes not being used to fund local education and in the calculation of state education funding for that municipality.

C. The legislative Committee recommends to the Superintendent to hold a legislative day for sophomores and juniors an initial meeting in June and a follow up meeting in November. This would give our students that are interested in civic engagement the experience on how to bring issues to the statehouse.

All above pending upon being passed by the full board on the date of May 23, 2018.
