

**MUNICIPAL ALLIANCE COMMITTEE MEETING
Minutes**

**Administration Building – 745 Clifton Avenue
Board Conference Room**

Monday – February 26, 2018 - 5:30 p.m.

**Clifton BOE: Fahim Abedrabbo, Lucy Danny, Gary Passenti, Rosemary Pino
Clifton City Council: Peter Eagler, William Gibson, Joseph Kolodziej
City Manager: Dominick Villano
Directory of Building and Grounds: Albert Marchione
Administrator of Climate & Security PreK-12: Mark Gengaro
Superintendent of Schools: Richard Tardalo**

TRAFFIC CONCERNS – School #4, #16, #5 Arrival/Dismissal/Parking

Outlined traffic concerns at Schools cited above and requested changes in drop off/pick up procedures that would improve safety but must be approved by the city and the county. Also, discussed were concerns at School #15 regarding handicapped parking without handicap decals and blocking people's driveways. These items will be on the next agenda for review and/or update.

SAFETY/SECURITY

A detailed discussion was held between all committee members focused on processes/procedures to improve security wherever possible by working closely with the Clifton BOE, the City Council, representatives of the School and the Clifton Police Department.

ATHLETICS/RECREATION

Use of fields and facilities were discussed for the spring and summer seasons. It was agreed that we would be able to accommodate the needs of both the schools and the city.

LATTERI PARK LEASE AGREEMENT

It was agreed to pass a resolution at our next BOE meeting to extend the lease for Latteri Park to the City of Clifton for another five years with the same terms/agreements as the prior contract.

SHARED SERVICES

It was agreed that all shared services should continue as they benefit both the City and the BOE. We requested the approximate hourly cost for possibly sharing the service of an engineer.
