

CLIFTON Children with Allergies

To enhance meal service to students and parents, we are introducing a new system in CLIFTON ELEMENTARY Schools Starting Wednesday Sept 6, 2017 first day of school.

The meal service in your elementary school is changing. In the new system, students will choose what they want when they arrive at the serving line. The cafeteria operation is peanut/tree nut aware and items that list peanuts or tree nuts in the ingredient label are not used in the production of the elementary meals. To ensure the safety of children with allergies, other than peanut or tree nut, and Fish we request that parents to pre-order meals for your children to ensure their Safety.

The Food Service department is committed to working with children with allergies so they can participate in the lunch program and have a positive experience. Our Food Service Director and Head of Satellite are in charge of the production and distribution of these meals. They have been trained in allergy sensitivity and food safety.

At the end of the preceding month you can obtain a copy of the menu so you can preorder meals specifically for your child. You will order the meals on the order form and send that form to school with your child. Your child's meal will be delivered to their school with their name on it.

If you have any questions, please contact your Food Service Director, Alex Rosenberg at Pomptonian@cliftonschoools.net or call 973-470-2330.

Your Payment Options Include:

Pre-Pay by sending any amount of money you would like. You can pay by cash, check (preferred method for tracking) or money order. Simply indicate your child's name and ID Number on the prepayment form. Make checks payable to CLIFTON Board of Education

Pay by Credit Card by going to www.payforit.net. There is a convenience fee for this service

Best regards,

**ALEX ROSENBERG
Food Service Director**
