2019 Elementary Summer Reading Assignment  
Current Grades 2, 3 and 4

June 2019

Dear Parents/Students,

Summer reading has been a tradition and benefit for Clifton students in Grades K to 12 for many years. Summer is the perfect time for students to reap the many rewards of independent reading. As educators, we realize the importance of reading throughout the school year and would like to encourage reading during the summer as a way for students to maintain reading levels and skills they have acquired within the school year. More importantly, we hope that by encouraging independent reading, students will experience the many joys of reading and become lifelong readers and learners.

Students in grades 2, 3 and 4 are required to read at least two books from the appropriate list provided by the Clifton Public Library or can be chosen from MyOn Reader, an online student-centered personalized literacy environment that gives students access to more than 6,000 enhanced digital books. Upon completion of the required books, students are to complete a Google Classroom Assignment (directions are attached for logging on) for each book chosen.

Teachers will review the requirements for Summer Reading and the completion of the Google Classroom Assignments:

Classroom Code:9w9gr5- FULL

Classroom Code: nlr94

Teachers will also assist students with logging on to MyOn Reader prior to the last day of school.

One extra credit grade will be given to each student for each assignment completed. We invite you to share the summer reading experience by reading to your child, with your child, or by simply letting your child read independently.

We strongly encourage students to read additional selections from the list to foster a life-long love of reading and invite them to wonder, imagine and explore life's endless possibilities.

Kindly note that this information will also be posted on the Clifton Public School's web site, [www.clifton.k12.nj.us](http://www.clifton.k12.nj.us). We, your partners in education, thank you in advance for your cooperation and support. Enjoy your summer!

Educationally yours,

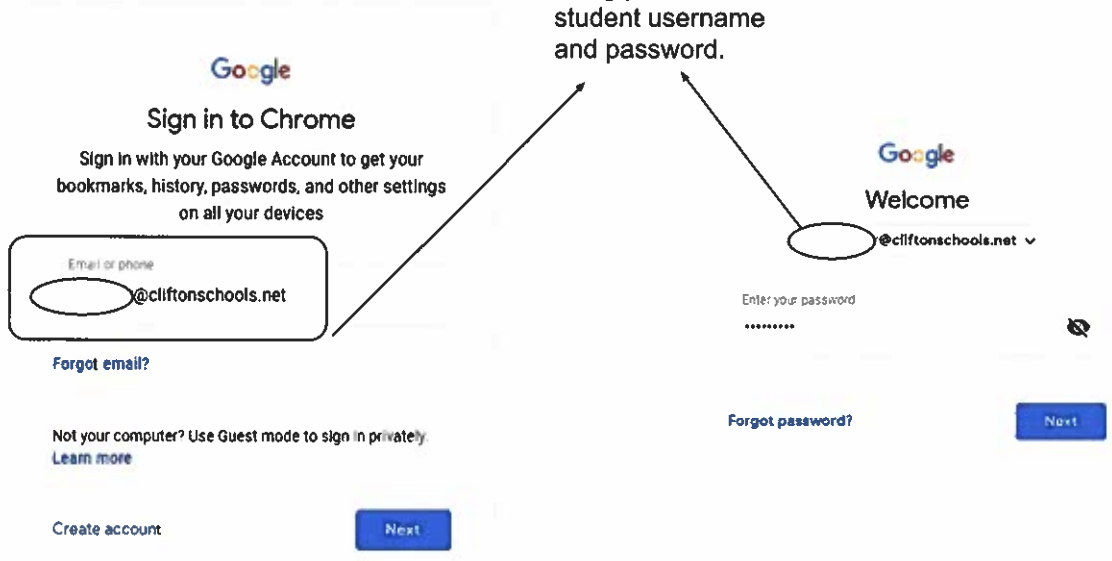

**Valerie Kropinack**
