2019 Middle School Summer Reading Assignment
Updated
Grades 5, 6 and 7

June 2019

Dear Parents/Students,

Reading is the cornerstone of a solid education, brimming with possibilities. In an effort to encourage independent reading and accommodate individual learning styles, this summer students are required to read at least two books. The books can be from the attached list provided by the Clifton Public Library or can be chosen from MyOn Reader, an online student-centered personalized literacy environment that gives students access to more than 6,000 enhanced digital books.

Teachers will review the requirements for Summer Reading and the completion of the Google Classroom Assignments. Classroom codes are as follows:

- Classroom Code - Section 1: 7d4uu3b (FULL)
- Classroom Code - Section 2: n2y3yb (FULL)
- Classroom Code - Section 3: odspdg

Teachers will also assist students with logging on to MyOn Reader prior to the last day of school. Students who complete the required classroom assignments will be given an extra credit grade for the first marking period for each assignment completed.

We strongly encourage students to read additional selections from the list to foster a lifelong love of reading and invite them to wonder, imagine and explore life's endless possibilities. We strongly encourage students to choose books in their ZPD (Zone of Proximal Development). Should you have any questions about age-appropriate novels by favorite authors, please consult the librarians at the Clifton Public Library.

Kindly note that this information will also be posted on the Clifton Public School's web site, www.clifton.k12.nj.us. We, your partners in education, thank you in advance for your cooperation and support. Enjoy your summer!

Educationally yours,

Valerie Kropinack

Dr. Valerie Kropinack
Supervisor of Language Arts, K-8
