## It's Time for Second Grade . . .

Dear Second Graders and Family,

Greetings from second grade! September is right around the corner and you will officially be a second grader very soon. We are thrilled to have you in our class next year and we can't wait to meet you. In order to help get off to a great start we would like your help. As you prepare to start second grade, we're sure that you will see lots of back to school supplies in stores. We would like to help make your shopping easier by sharing our second grade supply list with you. Although we will supply many of the items needed this year, there are several things that each child will need. We ask that the items listed below are sent to school with your child on the first day of school (September 4, 2019).

- Crayons (box of 24, larger packs are too difficult to store in desks) \*\*
- (1) 1 subject wide ruled notebook - **labeled with child's name and Reading on cover**
- (1) 1 subject wide ruled notebook - **labeled with child's name and Foundations on cover**
- (1) 2 pocket folder (**labeled with child's name and Homework**)
- (1) 2 pocket folder (**labeled with child's name and Classwork**)
- (1) 2 pocket folder (**labeled with child's name and Spanish**)
- 2 book socks (Jumbo size)
- 1 soft zippered pencil pouch \*\*\*
- 6 glue sticks
- 2 bottles liquid glue
- Pack of 5 multi colored highlighters
- 4 Dry erase Thin Expo Markers- any color
- Thin tip markers pack of 10
- 2 boxes of yellow #2 pencils
- Pack of 3 Erasers ( hand held wedge erasers)

\*\* Please no colored pencils as they do not sharpen well in our sharpeners.

\*\*\* Please do not send plastic pencil boxes to school. They are too large to fit in our desks and tend to break easily if dropped.

**Donations of the following items are always greatly appreciated.**

- Ziploc bags (gallon size or sandwich size)
- Baby Wipes
- Cleaning products (Lysol wipes or spray / Disinfectant spray for desks)
- Tissues
- Hand sanitizer

We ask that all supplies are labeled with your child's name. We also encourage you to have separate supplies for students to use at home. This will eliminate the problem of students forgetting supplies by taking them back and forth between home and school.

We are looking forward to a productive and rewarding year.

Sincerely,

Second Grade Teachers
