

# Grade 7 & 8 Full Orchestra

The combined Grades 7 and 8 Orchestra is open to all students - beginner and experienced - who are interested in learning and performing on Violin, Viola, Cello, or Double Bass. Members meet once a week after school for rehearsals in addition to their daily ILT rehearsal and once a week pull-out lesson. School instruments are available for students on a need-basis.

Orchestra provides a fun and safe environment for students to learn a performing art with their peers while instilling strong work ethics through daily practice.

Full Orchestra performs at least twice a year for both Winter and Spring Concerts.

## Rehearsal Schedule
