

## **7<sup>th</sup> & 8<sup>th</sup> Grade Concert Band – Mr. Anthony Lanzerotti**

The Concert Band will give the students a great opportunity to rehearse together as a large ensemble and create music. Learning different musical styles will prepare the students as they grow into young musicians. Performances are the most important part of being in an ensemble. We work hard all year to be prepared to perform. When performing, students receive a deeper enjoyment of music and a great feeling of unity with the ensemble. This sense of accomplishment is what being in a music ensemble is all about!

The Concert Band will give the 7<sup>th</sup> & 8<sup>th</sup> graders the opportunity to rehearse together to learn practical musicianship and prepare for their performances. The concert band performs different types of musical selections to give the students a varied experience. Select members of the concert band will perform at the annual holiday mall performance and for the Clifton Sr. Center. Select Students of the WWMS Honor Band will perform at the Music in the Parks festival.
