

Every Year BILLIONS of drink pouches end up in dumpsters and landfills across America. TerraCycle, Capri Sun and Honest Kids are working together to put an end to this awful loss of resources. As an eco-friendly innovator, TerraCycle is going to convert the used drink pouches into unique fashion bags, tote bags, and pencil cases for kids and adults! TerraCycle is proud to team up with the largest producer of drink pouches in the country, Capri Sun & Honest Kids, to help address this problem from all angles! For each qualified piece of waste we send to TerraCycle, we are awarded 2 TerraCycle points. TerraCycle points can be redeemed for a payment of \$0.01 per point.

We have discovered a fantastic way to raise funds for Clifton School #3. It is easy, and all you have to do is use your Target Visa or Target Card when you shop. Clifton School #3 will receive a percentage of each purchase in the form of a cash donation from Target through the Take Charge of Education program. Visit [target.com/tcoe](http://target.com/tcoe), or call 1.800.316.6142 to designate our school. If you are shopping at Target, please consider using your Target Visa or Target card. Grandparents, alumni, neighbors, and friends can also participate. Thanks to those who are already doing their part to make our school even better!!

We had a great response last year and hope to see even more in the coming school year. Please continue to ask friends, grandparents, relatives, neighbors, friends and co-workers to clip and collect Box Tops. Box Top coupons are on the packaging of hundreds of participating products that you probably use every day. All you need to do is cut them off of the box they are on, stick them in a baggie, and send them to school with your child. The classroom that collects the most box tops will earn a pizza party, so be sure to include your child's teacher's name with the box tops you turn in.
