

“We can’t hold kids accountable for things we’ve never told them we expect. Behavior should be treated like academics. Students have to be taught the skills they need.”

-Erin Green

Parent/Guardian Pamphlet

NJ PBSIS

School 3 has partnered with NJ Positive Behavior Support in Schools (PBSIS) to help us develop an intervention continuum to plan for preventing and, when necessary, intervening with social, behavior, and conduct issues.

Each school, through student and staff input, determines their school wide expectations that students strive towards throughout their school day.

OUR SCHOOL WIDE EXPECTATIONS ARE:

★ **KIND** ★ **SAFE**

★ **RESPONSIBLE**

How does it work?

Through a 4:1 positive to negative correction ratio, students will be taught the school wide expectations.

Expectation posters will be displayed throughout the school and reviewed frequently for reinforcement.

Expectations and routines will be modeled frequently. These expectations will also be utilized to reinforce appropriate expected behaviors in any school setting.

Overview

It is not a curriculum - it is a framework for systems to identify needs, develop strategies, and evaluate practice toward success.

PBSIS is a tiered system of support, which is driven by data.

The framework of each tier is designed with a specific purpose and an aligned set of practices.

Rewards

When students are found following school wide expectations and displaying positive behaviors, they can earn

STAR BUCKS!

Star Bucks will be handed out during the school day and can be used towards various prizes and rewards throughout the school year!

This is our way of recognizing and praising students for positive behavior.

How can you help?

- ★ Help teach your children the importance of school wide expectations at home, at school, and in the community.
- ★ Encourage a positive school climate.
- ★ Be actively involved in your child's education.
- ★ Celebrate your child's successes.
- ★ Encourage your child to celebrate the success of others.
