P.B.S.I.S. Guide

"COUGAR P.R.I.D.E. IS ON YOUR SIDE"

SCHOOL 15

NJ P.B.S.I.S.

* Clifton School District proudly employs a Positive Behavior Support in Schools (PBSIS) System. PBSIS is a framework that focuses on enhancing the district's overall school climate through a multi-tiered approach of prevention and intervention.

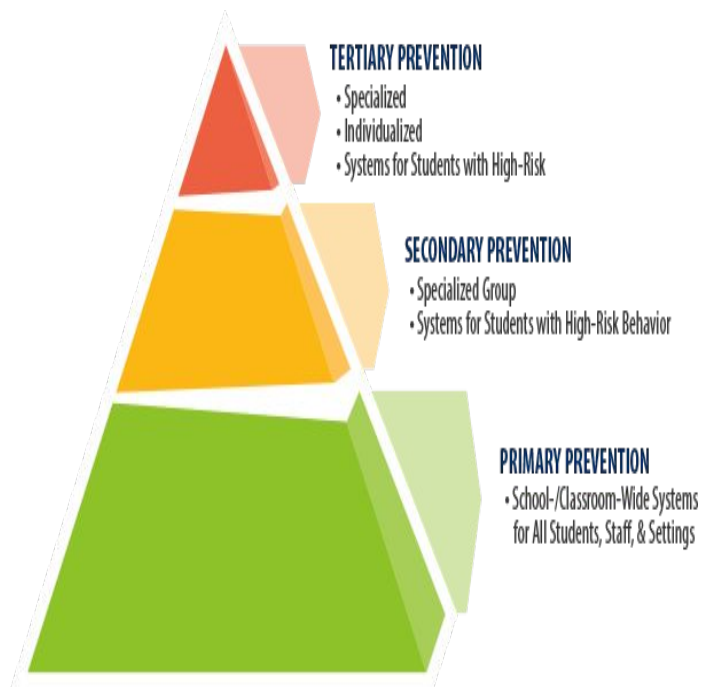

* The School Fifteen community selected these pillars to serve as the core of our program: Positivity, Respect, Integrity, Dedication, and Empathy.

SCHOOL 15 P.B.S.I.S.

PBSIS is taught explicitly at the beginning of each year where students learn about our school wide expectations through the 5 pillars (PRIDE). Expectations posters are displayed around the school and referred to frequently. The implementation of PBSIS ensures that each child receives the support needed for their success and feels welcomed and valued each day.

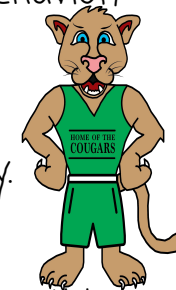

WHAT IS P.B.S.I.S.?

- The PBSIS Framework is split into three tiers that promote social and emotional wellness.
- The three tiers are
 - Primary Prevention
 - Secondary Prevention
 - Tertiary Prevention
- The three tier approach ensures that all student needs are being met through targeted prevention and intervention practices.

OUR REWARD SYSTEM

- * When students are found following school wide expectations and displaying P.R.I.D.E. behavior, they will be rewarded with DoJo Points.
- * DoJo points will be given throughout the day.
- * The Dojo points determine who will be added into our weekly, monthly, and quarterly prize raffles.

PARENT INVOLVEMENT

- Encourage your child to complete the monthly Bingo Cards.
- Praise your child's positive behavior at home.
- Promote our P.R.I.D.E values at home.
- Celebrate your child's success and the success of others.
- Join the PBSIS Google Classroom and stay updated on upcoming events.
